He Lives

“He is risen.” These are the words spoken by the angel to Mary Magdalene. This angel came from heaven, rolled back the stone from the tomb and sat down on the stone to let the world see that Jesus was not in the tomb. This is the greatest message of hope the world has ever heard.

1. Save Us

Every human is born with a sin nature. All have sinned and all must be forgiven and born again. No one is able to save himself, only our risen Lord can save.

2. Hope For Us

Hope is what keeps us alive and going when surroundings get so bad we become desperate. Hope points us through the darkness to a better time and place..

3. Help Us

We are the born again, blood washed heaven bound children of God, but we are not home yet. But Jesus watches over us.
